

Fundraiser FAQs

What is the profit margin for the organization?

Schools/organizations will make 50% profit from each package bought.

How much are the fundraiser forms?

If you print your own, there is no cost. If we send you the colored forms, they are 25¢ each plus shipping, but once you turn in your final order, you will be reimbursed for the cost of the forms.

What if the organization does not meet the free shipping qualification?

If you are unsure if you will be able to meet the free shipping qualification, you may want to charge each customer an extra \$1.00 per package to cover the cost. If not, the shipping would just simply come out of the end profit.

How does the organization turn in their fundraiser when completed?

The best way is for you to go to www.TheGourmetCupboard.com, go to the Fundraiser Section, and submit your order through the "Fundraiser Product Order Form" at the bottom of the page. This way, we can begin to pull and package your order. As soon as it is packaged and weighed, we will email you with the total. If you are paying for the shipping, then you can send in your payment at this time. If we pay for the shipping, then you may pre-pay before the packages are ready since the total is already known.

What payments are accepted?

Cash, if in person, a check to The Gourmet Cupboard, PayPal payment, or Visa, MasterCard or Discover payment.

What if someone wants to order a mix that is not in one of the packages?

Anyone who wants to order individual mixes can go to our website and order through their school/organization, and we will give that group credit for what was ordered. We will honor this up to 30 days after the end of the fundraiser. For instance, if someone ordered the Dips Package from the fundraiser but also wanted to try the Minestrone Soup, then they would go to our website, order what extra products they wanted, type in their school/organization, and we would ship it directly to them. At the end of the 30 day period, we would write that group a check from what was ordered from our website.

What if someone wants to order more mixes after the fundraiser is over?

Same as above.

What is the best way to sign someone up for a fundraiser?

Visit our website, www.TheGourmetCupboard.com, go to our Fundraiser section, click the "Sign-Up And Get Started On Your Fundraiser Now!" link at the bottom of the page, fill in the fields provided on the fundraiser application form, and submit the fundraiser application form!

Fundraisers Using Cash and Carry

What is the profit margin for the organization?

The profit margin per package is 50% and above.
