## *Meals of the Month Club*

The Meals of the Month Club is a club that you can sign up for and receive 7 meal type mixes in the mail at the beginning of each month. Each month, there will be several additional recipes included with your shipment. Each month, we will also try to include a recipe that could be prepared in your crock-pot as well. Besides additional recipes included with your shipment, we will also send you a grocery list to prepare the 7 meals! The Gourmet Cupboard automatically sends you the mixes around the 1<sup>st</sup> of each month, and the company automatically charges you for the mixes and the exact shipping.

**The meal mixes will be at a discount that is between the wholesale and regular retail price.**
