

## Online Fundraisers

Online fundraisers can make fundraising easier for you! With The Gourmet Cupboard®, everyone can even order from the comfort of their own home with "Online Fundraising". All the participant needs to do is give out the website link to anyone and everyone! You can even send the link to Grandma from out of state or other friends and relatives who live a long distance away!

After signing up, we simply provide you with your own link. Your customers order, and their products are shipped directly to them from the home office. We keep a running total of all orders and the profit earned, and we email this to you after every order is placed.

An online customer can order any of the single mixes, but please encourage your customers to order from the section called, "Fundraiser Packages" simply because the profit is more on these!

### **To sign up for an online link...**

You would simply scroll down to the bottom of the fundraiser section and fill out the form. Submit!! The home office receives your form, enters the information, creates your link, and within a 24 hour time period, both the sponsor and TGC representative will receive an email with the fundraiser link.

Each time someone orders, both the sponsor and TGC representative will receive a copy of each order AND a running totals page of commissions earned.

### **When the fundraiser is over**

We email both the sponsor and TGC representative again.

We give you the amount earned.

We then give you the options to receive payment....

1. A written check
2. Paypal
3. Give as a credit to (the rep) on their spreadsheet, and they reimburse the group
4. Deduct this amount to the total owed from the orders that were taken from the fundraiser forms, if any.
