## **Fundraiser Information** **Fundraiser Using Order Forms**

- Each participant will receive an order form. Each fundraiser package/set has the shipping amount built into the price. This way, the organization/YOU, are assured that you will not end up losing money on shipping costs!!

There is an additional \$1.50 shipping per item.

For example...

A Dips Packages is \$19.50.

\$7.50 of this is TGC profit

\$7.50 of this is the organization's profit

\$4.50 of this is for shipping. (because 3 dips x 1.50= 4.50).

### **Here is the good part!!!!!!!!!!!!**

Because the shipping price is built into the fundraiser packages/kits, the allotted amount for each kit will mostly likely exceed the true shipping cost when it is a larger order. Then, the organization earns additional profit from this!!!

For example...

An organization collects orders for 25 Dips Packages and collects

25x\$18.50=\$487.50.

The amount "built-in" collected amount for shipping on 25 Dips Packages would be \$112.50.

The true shipping cost will be approximately \$30.00 (give or take, depending on what region it is shipping to), and so the organization gets to keep the additional \$82.50!!

- Sponsor prints copies (front and back) of fundraiser order forms.
- The participant collects money at the time of the order (all checks made out to the organization)
- The fundraiser sponsor collects all forms.
- Sponsor simply fills out the sponsor form that we will email to them, and they email it back to us. Once we get the exact shipping, we will bill you for the total wholesale amount on the form plus the exact shipping.
- You are more than welcome to pay by check, by credit card by calling our home office, or via Paypal.

- We do try to process your orders as quickly as possible. (up to 7 business is max.)
- There is no time limit on how long you would like for your fundraiser to run although most last 2-3 weeks.
- After putting together the different value packages, we write the name of the package on the outside of each bag so that it is easy to identify what is in each bag. This makes it very easy for the sponsor to sort through the boxes and hand out the correct packages to the participants.
